glaciers on your cruise

glacier bay national park

Princess Cruises® is an authorized concessioner of Glacier Bay National Park.

The awe-inspiring scenery of 3.3-acre Glacier Bay National Park never disappoints. From snowcapped mountaintops to deep fjords and freshwater streams, the magnificence of nature is abundant. This UNESCO-listed national treasure hosts eight of the world's most spectacular tidewater glaciers. Humpback whales, sea otters, porpoises and harbor seals enjoy the waters, while black bears and mountain goats wander through the pristine parkland, which you can learn about through the knowledgeable Park Rangers who join you on board.

tracy arm fjord

Tracy Arm Fjord's scenery stuns with its exquisite, wild beauty. Traverse down the narrow waterway past a deep forest. Sparkling waterfalls cascade from high above, while massive glaciers create the perfect backdrop for your picturesque view. This famed fjord is a glittering gem near Juneau, protected within the Tongass National Forest. The enormous Twin Sawyer Glaciers sit at the end of the fjord.

hubbard glacier

A colossal mass of snow and ice, 76 miles long and 1,200 feet deep. Its phenomenal, clear blue hues shimmer in the sunlight. North America's largest tidewater glacier is defined by its awe-inspiring beauty — one of the most stunning wonders in the Great Land. Galloping toward Disenchantment Bay, Hubbard Glacier often calves icebergs the size of 10-story buildings. This immense and awesome sight to behold will leave you feeling small, even on your ship's uppermost deck.

college fjord

College Fjord not only boasts the world's largest collection of tidewater glaciers — including the massive Harvard Glacier — but countless opportunities to experience the roar of "white thunder," as enormous pillars of ice break off from the glaciers and crash into the surrounding seas. Discovered in the northwest corner of Prince William Sound during an 1899 research expedition, College Fjord and its glaciers were named after prestigious East Coast schools.

choose your cruise

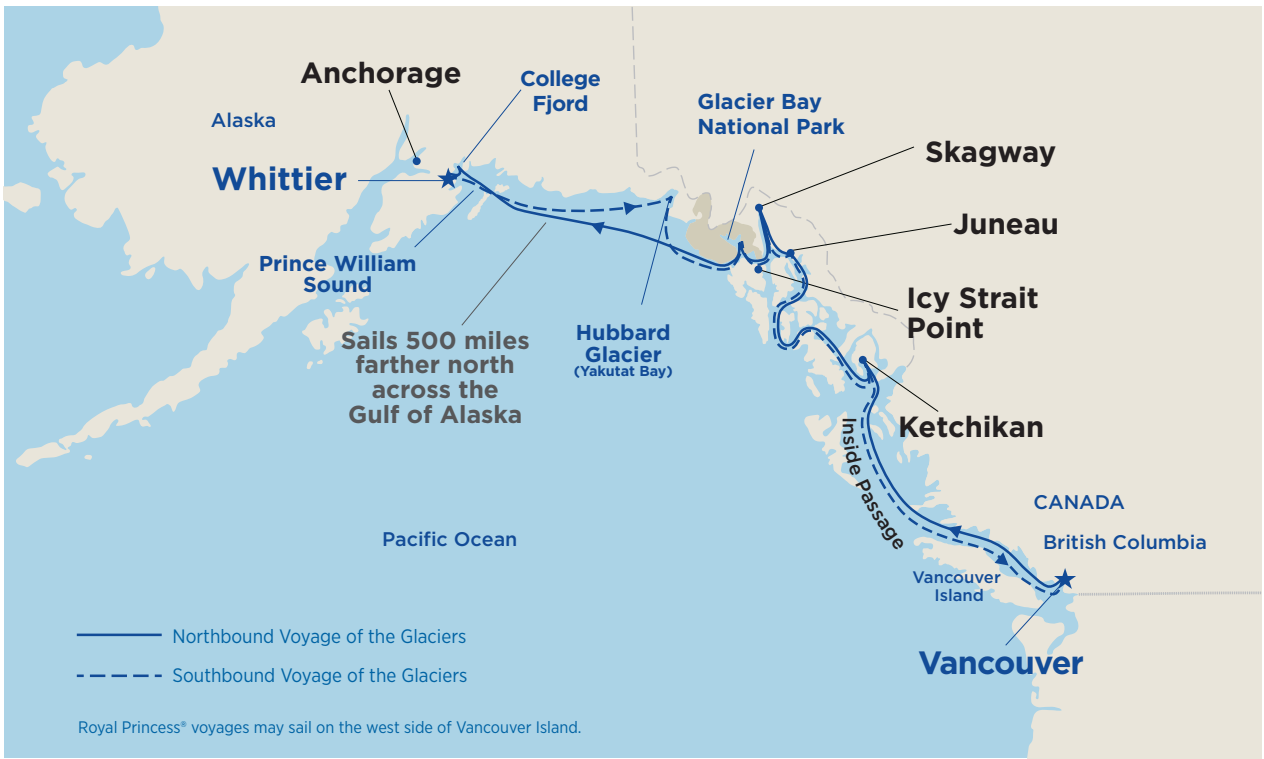
voyage of the glaciers

It's a sound that reaches into the depths of your soul — forever embedded in your sensory mind. The echoing roar of "white thunder." It starts with a crackle. A chunk of ice the size of a house starts to separate from a glacier. More crunching. Then a thundering whoosh. The frozen mass detaches and crashes to the sea below. The boom that follows reverberates throughout your body. Glaciers are some of nature's greatest spectacles, and our Voyage of the Glaciers cruise provides two iconic glacier-viewing experiences — Glacier Bay National Park and either College Fjord or Hubbard Glacier. This top-rated Princess® itinerary — the premier way to see the Great Land by sea — also takes you to some of the state's most celebrated ports, and sails 500 miles farther north across the Gulf of Alaska, so you can catch more scenic views that take your breath away. And in 2019, Royal Princess® joins the Alaska fleet, adding her unique touch of refined beauty to this unbelievable journey.



HIGHLIGHTS OF OUR TOP-RATED CRUISE:

- Glacier Bay National Park — named one of the 7 Cruise Wonders of the World by *Condé Nast Traveler.*
- Sail over 500 miles farther north across the Gulf of Alaska and into Prince William Sound.
- A second glacier-viewing experience among the 16 glaciers at College Fjord, or Hubbard Glacier — the longest tidewater glacier in Alaska.
- Visit Gold Rush-era towns as you cruise the Inside Passage.

MEET REAL ALASKANS

Ever wonder what it's like to climb North America's tallest peak? Hear first-hand accounts from **mountain climbers** who have conquered Denali as they share their exhilarating stories in the Hudson Theater at Mt. McKinley Princess Wilderness Lodge.® On board, chat with **award-winning photographers** as they highlight their Alaska photography experiences and offer tips. Or meet Alaska icons like dog musher **Libby Riddles**, the first woman to win the Iditarod Trail Sled Dog Race. Even **live like a logger head** during an exciting axe-throwing competition with an Alaskan lumberjack, or learn about **totem pole carving**. Princess also welcomes **National Park Rangers** on board to share the history of one of Alaska's most renowned treasures — Glacier Bay National Park.

local culture & cuddles

Nothing compares to the thrill and excitement of a real **Klondike Festival**. Celebrating the spirit of the Alaska gold rush, this event includes gold nugget arts and crafts projects, harmonica music classes and take part in a fun Can Can dance class. Princess even invites some of Skagway's newest sled dogs on board with **Puppies in the Piazza**. Snap a picture with these cuddly canines and meet their dog handlers who are training them for a life of dog mushing.

SUCCULENT SEAFOOD

Princess® offers countless ways to experience Alaska's seafood without leaving the ship. Enjoy regional fish options in our main dining rooms or seafood favorites in our specialty restaurants on board. For a hands-on experience, try **Cook My Catch**. With this exclusive culinary program, you can catch a fish on a Princess excursion and have it prepared by one of our talented chefs that evening. We also bring the best of **local dives** on board. Savor specialty dishes from Alaska's hotspots in our top deck grill, including crab cakes from Tracy's King Crab Shack in Juneau, fish tacos from the Alaska Fish House in Ketchikan and seafood chowder from the Bonanza Bar and Grill in Skagway.

culinary cravings

Our range of authentic cuisine is as limitless as the sea. With Princess,® every meal is a delicately crafted masterpiece, made with fresh ingredients inspired by award-winning chefs. Our array of restaurants brings palette-pleasing dishes to your table for an enhanced experience. An ocean of flavor awaits.

FROM THE SEA

The tender, flaky texture of a perfectly seasoned wild salmon filet. The sweet, succulent flavor of king crab legs served with rich, melted butter. Those who have tasted Alaska's seafood know why it's world-famous. Our chefs have created locally inspired menus so you'll always have a variety of tempting selections to choose from on board and at our Princess Wilderness Lodges.

specialty dining

dine how you like

Our complimentary main dining offers two distinctive options to choose from:

ANYTIME DINING℠

Eat with whomever you wish, and whenever you like, just as you would at an upscale restaurant. You can have a table for two one evening and join a group for a festive meal the next. The choice is yours.

TRADITIONAL DINING

The classic cruise experience, this option allows you to dine at the same time each evening in our upscale main dining rooms. You'll be seated at the same table and enjoy the same tablemates and waitstaff throughout your voyage.

A CASUAL AFFAIR

While on deck watching the breathtaking scenery pass by, enjoy complimentary treats like Neapolitan-style pizza, hailed as the "Best Pizza at Sea" by *USA TODAY*, and top it off with soft-serve ice cream. Or in the Piazza, stop by the International Café for your favorite specialty coffee and a menu of quick bites that changes throughout the day. At the Horizon Court or World Fresh Marketplace, delight in creating your own specialty salad, choosing a handcrafted sandwich or grabbing a quick rice bowl.

MAKE A TOAST

There's a bar and lounge to complement just about every mood, offering a diverse selection of cocktails, cold brews and stellar wines. Top off your afternoon with a local Alaska beer at the Outrigger Bar. Slip gently back in time as you sip on a classic martini at Crooners, a vintage Sinatra-era cocktail lounge. Enrich your palate with a fine vintage at Vines wine bar, located in a charming corner of the Atrium, and containing one of the best-stocked cellars at sea.

BALCONY DINING

See the majesty of Alaska's glaciers from the cozy quarters of your personal balcony, while our dedicated staff serve up a bottle of champagne, paired with a four-course dinner or a delicious morning brunch.

engaging entertainment

While Alaska's towering cliffs and sweeping glaciers take your breath away, the entertainment beckoning you from every corner of your Princess® ship will leave you amazed. From being dazzled by shows to enjoying your favorite flick, the only real choice is what to do next.

CURTAIN UP!

Award-winning Broadway legend Stephen Schwartz has partnered with Princess to helm two original productions. In ***Magic to Do***, Schwartz , the composer of *Wicked*, combines a spellbinding story of magic with some of his most popular songs. ***Born to Dance*** traces the journey of Broadway's greatest choreography through the eyes of a professional dancer. Princess also showcases the talents of professional singers, ballroom dancers and an impressive onstage orchestra in ***Encore*** — a glamorous production set in an elegant Montecito garden. And if you're a fan of TV's wildly popular singing competition, *The Voice*, you'll love our version of the show — ***The Voice of the Ocean***. Whether you want to sing for the title or simply vote for your favorite performers, all guests can find an exciting way to take part.

BRING HOME SOMETHING NEW

With designer brands including Swarovski, Effy, and Citizen, plus unique Alaska finds like Stanley the Bear in his lumberjack outfit and other logo merchandise, The Shops of Princess offer something to satisfy every taste and price point.

FEELING LUCKY?

Try your hand at all your favorite Vegas games — from blackjack, roulette and craps to video poker and slots. And as you cruise Alaska with your family or newfound friends, sit back and enjoy a game of group bingo.

ALL ABOARD FOR ENTERTAINMENT

Pianists fill our bars and lounges with sweet, melodic tones. Films play day and night on our top deck poolside, complete with popcorn, during Movies Under the Stars.® Top-rated comedians will crack you up and illusionists will leave you mystified. joyful rejuvenation
